

METRO FLEX 18 RL

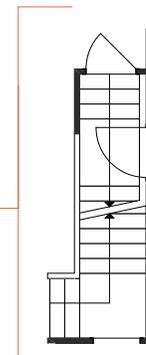

3 BEDROOMS | 2.5 BATHS | 1,455 SQ. FT. | REAR LANE

The **Metro Flex 18 RL** is about **having flexibility in your living space**. The main floor features an open-concept area with interchangeable living room, flex space and dining so you can set up your home in a way that best suits your lifestyle. As you head upstairs the open-to-below feature allows your cozy living space to flow through to the upper floor. Here you'll find a large primary suite with convenient walk-in closet and spacious ensuite for getting ready or unwinding.
