3 BEDROOMS | 2.5 BATHS | 2,328 SQ. FT. | 24' POCKET  
STEEL FRAME HOME

Your family life is busy, but you're on top of it all. Whether it's work, school, hockey practice or swimming lessons, you know exactly what everyone is doing and where everything is.

**Family Flow 24-S** is designed to help you do it by prioritizing ease of movement and creating space for everything. A highly functional family entrance and storage room coming from the garage is complete with a walkthrough pantry, storage bench, wall hooks and an additional storage room for sports equipment or household appliances. The kitchen is meticulously designed for effortless flow from meal prep to dinner time. Upstairs features a spacious family room, two large secondary bedrooms for the kids, and a primary suite where parents can rest and reconnect.
