

FAMILY SPACES 24-S

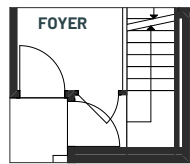

3 BEDROOMS | 2.5 BATHS | 2,489 SQ. FT. | 24' POCKET
STEEL-FRAME HOME

Family Spaces 24-S is a versatile home designed for growing families who value flexibility and connection. The tandem garage provides room for two vehicles plus extra space for a third car, off-road toys, a workspace, or storage. Inside, the open-concept main floor features a generous living, dining, and kitchen area, complemented by a dedicated home office or den. Upstairs, two bonus rooms offer private retreats for each the parents and kids, or for those seeking a little extra privacy.

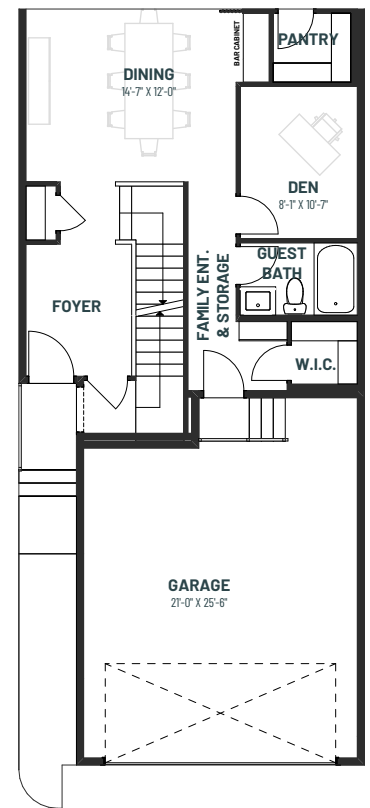

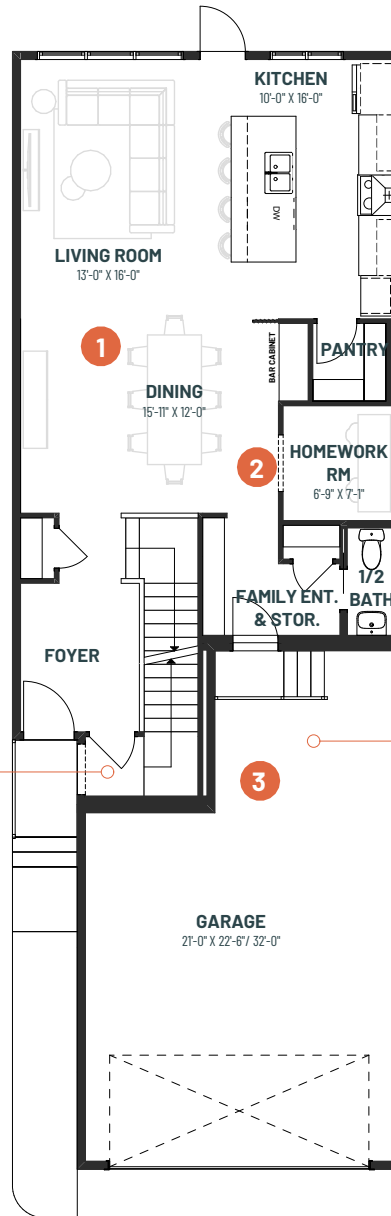

The optional main floor plan transforms the tandem garage space into an oversized den and full bathroom, perfect for hosting overnight guests. The upper floor offers the ability to add a fourth bedroom for even more family flexibility. Family Spaces 24-S delivers the perfect blend of adaptability, comfort, and room for every member of the family.
