METRO ALIGN 20 RL

3 BEDROOMS | **2.5** BATHS | **1,834**SQ. FT. | **REAR LANE**

Welcome to the Metro Align 18 RL, where versatile living meets thoughtful design. This rear lane single family home is crafted for modern lifestyles, seamlessly blending work, life, and everday comfort. At the front of the home, a flexible main floor den offers the perfect setting for a home office, creative studio, or home-based business. The rear kitchen anchors the main living area, thoughtfully positioned to look out over the backyard while you cook. The open-concept living and dining spaces flow effortlessly from the kitchen, making entertaining feel natural and connected. Upstairs, the home truely expands with a central bonus room, offering a flexible space for movie nights or a playroom, giving everyone room to unwind. The Metro Align 18 is designed to support how you live today, balancing flexibility, connection, and comfort in a home that works as hard as you do.

1. Rear-entry mudroom with integrated bench and hooks, designed to support organized everyday coming and goings
2. Rear-oriented kitchen open to the dining area, with a window that brings in natural light and connection to the outdoors
3. Walk-in pantry providing smart, concealed storage to support efficient living
4. Centrally positioned living and dining spaces that function intuitively for daily life and entertaining
5. Main floor den offering flexible space for focused work, study, or creative pursuits
